

# Road Materials and Pavement Design

International Journal of Road Materials and Pavement Design

**10** years of published  
Volumes

**R**oad  
**M**aterials and  
**P**avement  
**D**esign

International Journal of Road Materials and Pavement Design

***Associated Editors***

*Herve Di Benedetto*

*Andrew Charles Collop*

*Hussein U. Bahia*

***Editor-in-Chief at Large***

*Jorge B. Sousa*

# Road Materials and Pavement Design

International Journal of Road Materials and Pavement Design

## ***Associate Editors***

*Morris De Beer*

*Kimitoshi Hayano*

*William Buttlar*

*Milhai O. Marasteanu*

*Zhongyin Guo*

*Manfred Partl*

## ***Editorial Board***

*49 Specialist from 20 countries*

# Road Materials and Pavement Design

International Journal of Road Materials and Pavement Design

## *Honorary Editors*

*Louis Francken - Belgium*

*Ulf Isacsson - Sweden*

*Reynaldo Roque - USA*

*Yao Zu-Kang - China*

# Road Materials and Pavement Design

International Journal of Road Materials and Pavement Design

*Why was this Journal create?*

***Blind Peer Reviews (rigorous unbiased selection process)***

***At least 3 Reviewers from a different country (reviewers from 20 countries)***

***Monetary Awards***

European Asphalt  
Technology Association

*4<sup>th</sup> EATA conference*  
**« EATA10 »**  
*June 2010, Parma*

- EATA, European « young sister » of AAPT
  - To create a high level technical and scientific group in which professionals, scientists and academic staff can exchange
  - To bring together theory and practice.
  - To give a better understanding of existing practice and to describe and make comparisons with new developments.
  - To provide a forum for high quality peer reviewed papers on all aspects of asphalt technology
  - **To publish the papers in special issues of the International Journal of “Road Materials and Pavement Design”**

**R**oad
